### WHAT DOES THE USSSA ACCIDENT POLICY COVER?

The Participant Accident Policy pays for covered medical expenses incurred within one year after an accident, to a maximum of \$100,000 per accident for each insured person. Treatment must begin within 30 days of an accident. Coverage is provided on a secondary basis. If other collectible insurance is in force, it must be used as primary. If no other coverage is in force, this coverage becomes primary.

An occurrence form. With an "occurrence" based policy, even though the policy may have expired as of the time the insured received notice of the claim, the policy will afford coverage for a covered loss

## TEAM/LEAGUE INSURANCE

### WHY SHOULD MY TEAM/LEAGUE PURCHASE ACCIDENT MEDICAL INSURANCE?

Many Americans are not covered by health insurance. The USSSA accident medical insurance becomes primary in the event the injured party has no medical insurance. Medical costs are extremely high, and failure to purchase insurance could be financially disastrous. If primary medical coverage is in place, our policy will still respond to the amount unpaid by your primary carrier, up to the usual and customary charge. Most primary policies have a substantial deductible and/or co-insurance payment. Therefore, if the USSSA coverage is used as secondary, the financial burden of a large-out-of-pocket expense can be greatly reduced or eliminated.

### WHY SHOULD MY TEAM/LEAGUE PURCHASE LIABILITY INSURANCE?

Players, coaches, managers, and even team sponsors, and volunteers are at risk of being sued from sports related activities. There is no such thing as an "accident" in today's lawsuit-happy society. Our general liability policies will provide protection in the event you are sued by a spectator or a participant. Coverage is provided for legal fees as well as any court judgment up to \$2,000,000 per occurrence, \$5,000,000 aggregate limit.

### WHO IS COVERED BY TEAM INSURANCE?

Coverage is provided for players, coaches, managers, team sponsors, scorekeepers, and other team volunteers.

### WHEN DOES MY COVERAGE BECOME EFFECTIVE?

All purchases are done on line at [www.usssa.com](http://www.usssa.com). Coverage will become effective on the policy effective date or date of purchase, whichever is later.

### WHEN DOES MY COVERAGE END?

August 1, 2022.

### WHAT IS THE POLICY LIMIT ON THE ACCIDENT MEDICAL INSURANCE?

The accident medical limit is \$100,000 per occurrence.

### WE ARE A USSSA REGISTERED TEAM. DOES OUR REGISTRATION PROVIDE US WITH ANY INSURANCE PROTECTION?

No. USSSA registered teams can purchase team insurance that protects them during the play of any amateur activity in the insured sport.

### IF I HAVE TWO TEAMS THAT FALL UNDER THE SAME AGE GROUP, CAN I BUY ONE POLICY TO COVER BOTH TEAMS?

No. All teams have to be registered separately and will need to purchase separate policies to be covered.

### WHAT IS THE MAXIMUM NUMBER OF PLAYERS COVERED BY TEAM INSURANCE?

The team size is limited to the USSSA roster limit of 20 in baseball, **fastpitch**, **slowpitch** and flag football, 15 in basketball and volleyball.

### WHAT IS THE DEDUCTIBLE ON MY ACCIDENT MEDICAL POLICY?

The USSSA accident medical policy has a \$500 Deductible.

### DOES MY POLICY COVER MY TEAM/LEAGUE FOR NON-USSSA PLAY?

Yes. Coverage is provided for the play of any amateur activity in the insured sport

### DOES THIS POLICY COVER ME WHEN HOSTING A CAMP, CLINIC OR TOURNAMENT?

No, the policy does not cover you as a host of a camp, clinic or tournament. The policy will only cover your team for participation in the camp, clinic or tournament. As a host of any of these events, you will want to secure a special event policy to cover you.
